Tricking

is the urban version of big game hunting. Watch the wild beasts gather at the watering hole. Feel the thrill of the chase. Add another trophy to your drawer of forgotten names and numbers written on cocktail napkins, business cards and matchbooks. The scent of leather hits your nostrils, your senses bristle. In the dark, someone has you in their sights -- you are both hunter and prey.

These are one-night captures, without past or future, to be turned loose sometime before morning. Between now and the dawn there is illusion, pain, sweat, catharsis and release.
